

TALE

OF

TWO

CITIES

AGENDA:

To explore the perception of Industry and its relationship to both Manchester and Salford. Initial topics could include Infrastructure, Music, Culture, Production and Manufacturing. During the two weeks we aim to take on the role of the Architect, the Curator and the Maker.

COLLABORATOR:

We will be collaborating with an independent gallery on the border between Manchester and Salford. The GK Gallery displays a variety of work from up and coming artists.

www.gkgallery.co.uk

We will also be collaborating with the Manchester School of Art, taking advantage of the screen printing and photography workshops. The various facilities will be used to create pieces for an exhibition.

PRODUCTION:

We will create and curate an exhibition at the GK Gallery which will be on display for two weeks with an opening event on the first night.

MASTERCRAFT:

Photography / Film Making
Sketching
Screen Printing
Curation
Networking
