Set to the backdrop of the Lake District, on a site with historical ties to Dadaism through Kurt Schwitters, we will learn about his legacy and the impact of the Elterwater Merz Barn.

AGENDA//

Using the Dada movement as a conceptual base we will create art to inform architecture that creates a discourse about rural issues in today's 'urban world'.

PRODUCTION//

Our event will consist of a design charrette culminating in an exhibition showcasing our models, sketches and artwork.
