

ART × PARADISE?

ART // ARCHITECTURE // CONSTRUCTION

Coordinators

Shivani Gunawardana (ISR) // Kassandra Koutsoftas (qed) // Sandhya Parekh (USE) // Rosie Pratt (CiA) // Nicholas Royce (USE) // - As a group we're interested in construction and the relationship between art and architecture.

Agenda

In collaboration with Paradise Works, an artist run initiative providing studios to contemporary artists, our agenda is to kick-start re-development of an unoccupied site, through focus on designing and constructing a small, community based intervention.

Collaborator

Paradise Works // Salford City Council // Manchester School of Architecture.

Production

During events you will be working in groups to design and construct a themed intervention, at 1:1 for the site. The site is the vacant green patch in the image, adjacent to Paradise Works, yet owned by Salford City Council.

Craft

Design // Fabrication // Communication.
