*In Association With  
The Wai Yin Community Centre*

## **Agenda.**

The Wai Yin Community Centre are in desperate need of additional space. We aim to build minimal cost modular structures at the Community Centre in Cheetham Hill.

## **Collaborators.**

Tom Brown - [www.browniy.wixsite.com/thomaswilliam](http://www.browniy.wixsite.com/thomaswilliam).  
Leandro Minuchin - Prefigurative Architecture RM.  
Mark Greenwood - Wai Yin Community Centre.  
Manchester School Of Architecture.

*Design Proposal: <https://db.tt/7LOxoUbdg7>*

*MARCH Students: Ben Bolton  
Aaron Perry / Joseph O'Brien  
Tammy Adams / Sean Martin*

## **Production.**

Following a recent MArch design proposal. We will construct an insulated, small capacity unit with varying potential, as required. Storage, Emergency Shelter Etc.

## **Craft.**

This will be a live project with both client and community interaction. Students will gain the opportunity to physically construct the proposed design whilst gaining knowledge of basic construction principles.
