MANCHESTER//DETROIT

ZONES OF URBAN EXPERIMENTATION

TONY WILSON

AGENDA

The teams will delve into the connection between the cities of Manchester and Detroit. You will explore their long history of Art and Music even discovering the impact of the Industrial Revolution.

PRODUCTION

Boost your digital skills: Learn how to market your ideas with interactive data, web design and Photography skills. The event exposes the teams to alternative design expression with specific emphasis on Manchester's connection to Detroit.

CRAFT

Our project offers the chance to network and collaborate with students from the university of Detroit which would be an invaluable lesson to learn at such an early stage in your architectural careers.
