

MANCHESTER SCHOOL OF ARCHITECTURE

LET'S PLAY

THE TEAM

Wong Tsz Ching Soo Pek Kwan
Amanda Chua Jason Cheung
Flora Teng Crystal Poon

COLLABORATOR

Friends of Beech Road Park, Chorlton

SKILLS

During the project, we will be able to learn and improve our skills in sketching, visual rendering, video editing and model making. We will use these skills to generate creative ways to document 'Play'.

AGENDA

Our aim is to regenerate the play area within Beech Road Park in Chorlton into an exciting and age-friendly space to benefit the community. We will be visiting several creative playgrounds around Manchester, documenting our 'playfulness', integrating proposed ideas from a series of drawings done by primary kids in the neighbourhood and presenting our proposals back to the community.
