

MANCHESTER SCHOOL OF ARCHITECTURE

SUPPORTED EARTH

AGENDA: Working with the Art School and gardening clubs we will produce innovative recycled planters for the Benzie roof terrace. By creating a calming wellness space, we aim to improve the mental health of students and staff.

COLLABORATOR: Manchester School of Art

KEY SKILLS:

1:1 Model making and presenting.
SketchUp, Photoshop and InDesign.
Students will fill out a skills form so we can tailor the tutorials to you.
