# CIRQUE DU ARC

**Our agenda is to celebrate circus and have fun!** We will be designing the **FIRST** circus festival of the North West, taking place in November to celebrate **The Circus House's 10th Birthday**. The festival will take place across three sites including The Circus House, NIAMOS and The Klondyke, and aims to educate people about the fun circus offers and promote talent, involving everyone from beginners to professionals. This will include Covid-19 safe shows, workshops and lots of community engagement.

**Model boxes of your favourite circus workshop!**  
Our priority is bringing everyone of different abilities together, where you will have freedom of choice to **collage digitally or model physically**.
