AQUATIC WALKWAY

# THE MANCHESTER BLUE LINE

**AGENDA** | Join us in creating the Manchester Blueline! An urban riverside park winding through the city center, facilitating transport, exercise, local businesses and community engagement. We will be exploring the endless possibilities for a new experiential walkway to benefit the people of Manchester. We will be using a variety of expressive representation, including model making, drawing and graphic imagery to generate an innovative design narrative for award winning regeneration company Urban Splash.

**TEAM** | Dan Oledan | Georgina Cantrill | Holly Sutcliffe | Iulia Nastasache | Rosa Kenny | Wing Lam Ting

**SKILLS**  
| Design Development  
| Masterplanning  
| Model Making (Physical & Digital)  
| Computing Skills  
| Team Working  
| Creativity
