

MANCHESTER SCHOOL OF ARCHITECTURE

WHITWORTH GALLERY

HOUSE OF NEGOTIATION

AGENDA

Design of a new park keeper's house in Whitworth Park. The 'House of Negotiation' will be a practical and constructible living space for at least one person. It will negotiate a pact between the city and its residents by demonstrating new sustainable approaches to social housing. Through conceptual model making and design development, we want to provide The Whitworth with ideas for how this park keepers house could look, function and be constructed.

SKILLS

Model making
Spatial programming
Detailing
AutoCAD
Indesign
Photoshop

TEAM

Jessica Bell
