

# MANCHESTER SCHOOL OF ARCHITECTURE

# PARKTOPIA

## Agenda

Parktopia seeks to conduct a fundamental re-examination of parks for LEAF. We will try to get new fresh ideas of what parks mean to societies through studying how parks are presented in literature, pop culture and social media in different countries and interview people from different cultural backgrounds to get a more personal point of view on what parks mean for different individuals. After these studies we will find abstract and artistic ways to present our observations.

## Skills

Abstract visualisation  
Alternative research approaches  
Diagramming  
Sketching  
Photoshop  
Different visualisation techniques

## Group 22

Laura Bucknall  
Nadia Alsawi  
Nayeem Shaik  
Sana Akhtar  
Sofia Pamilo  
Tom Cooper

## Collaborators

Landscape Environment Advancement Foundation;  
India. [www.leaf-india.org](http://www.leaf-india.org)
