

# MANCHESTER SCHOOL OF ARCHITECTURE

We are collaborating with 'Class of Your Own' to deliver workshops to Design Engineer Construct students at Alder Grange Sixth-Form who have a keen interest in the construction industry. Our brief is to support these students on their real-life project - the renovation of Sabden Church, located in beautiful Clitheroe, Lancashire.

In the 'Action Weeks' of May we will divide ourselves into 2 teams to hold our own 1-week design competition to renovate the church and later present it to the students. It is a fantastic opportunity to be involved in a real life project, creating diverse and exciting material for your portfolios while uplifting your design skills by working with students.

# CLASS OF YOUR OWN

## Team:

Thomas Palmer  
Abhishek Patel  
Binal Panchal  
Parth Solanki  
Anh Mai

## Skills:

Adaptive reuse  
Designing in a team  
Concept development  
Good presentational skills  
Teaching and Communication
